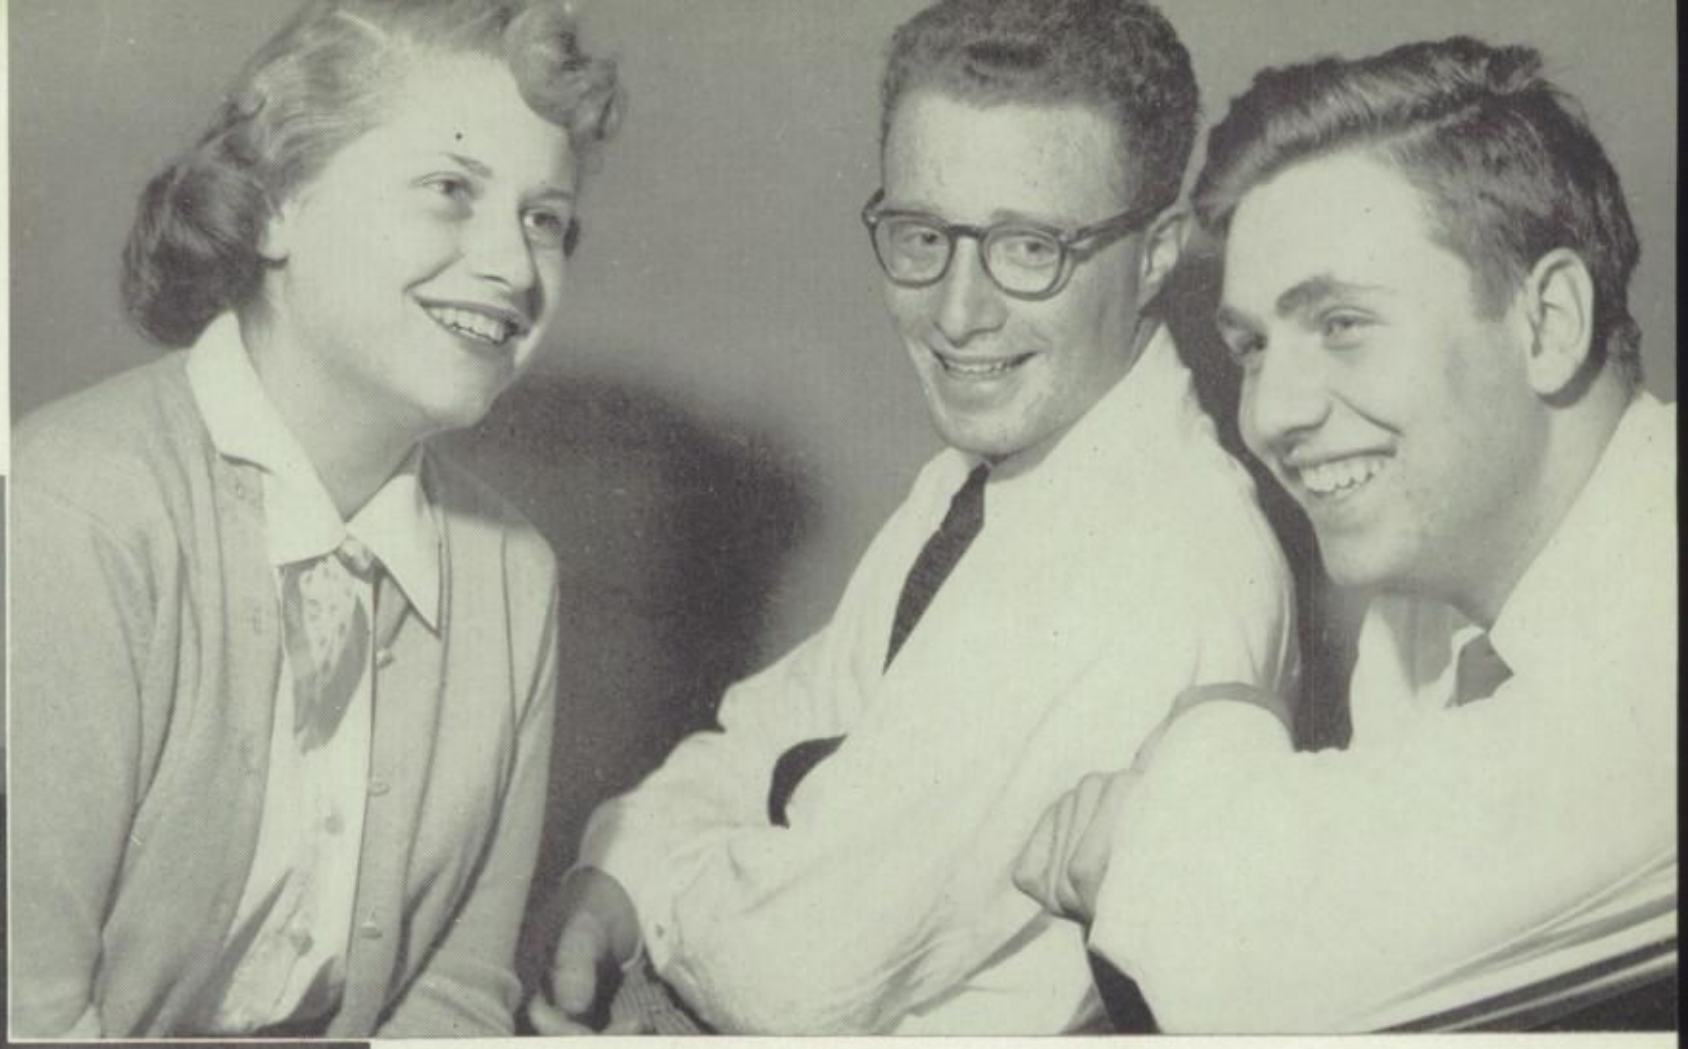
Our Life Has Many Faces



With Thoughtful Minds and Laughing Hearts

People glance at us and lightly say we bear the familiar face of youth. They see us when we are smiling, glad of our good fortune or that of others. Sometimes, however, it is forgotten that despite the carefree times there are moments when we concentrate on more serious matters. Then we are seen debating over various plans of action, trying to determine the best one. It is through the constant exchange of ideas and the feeling of companionship which results from working with others that friendships are formed. The smiles of friends and the thoughtful consideration of ideas are reflected all about us on the faces that we see — faces changing with passing moods.

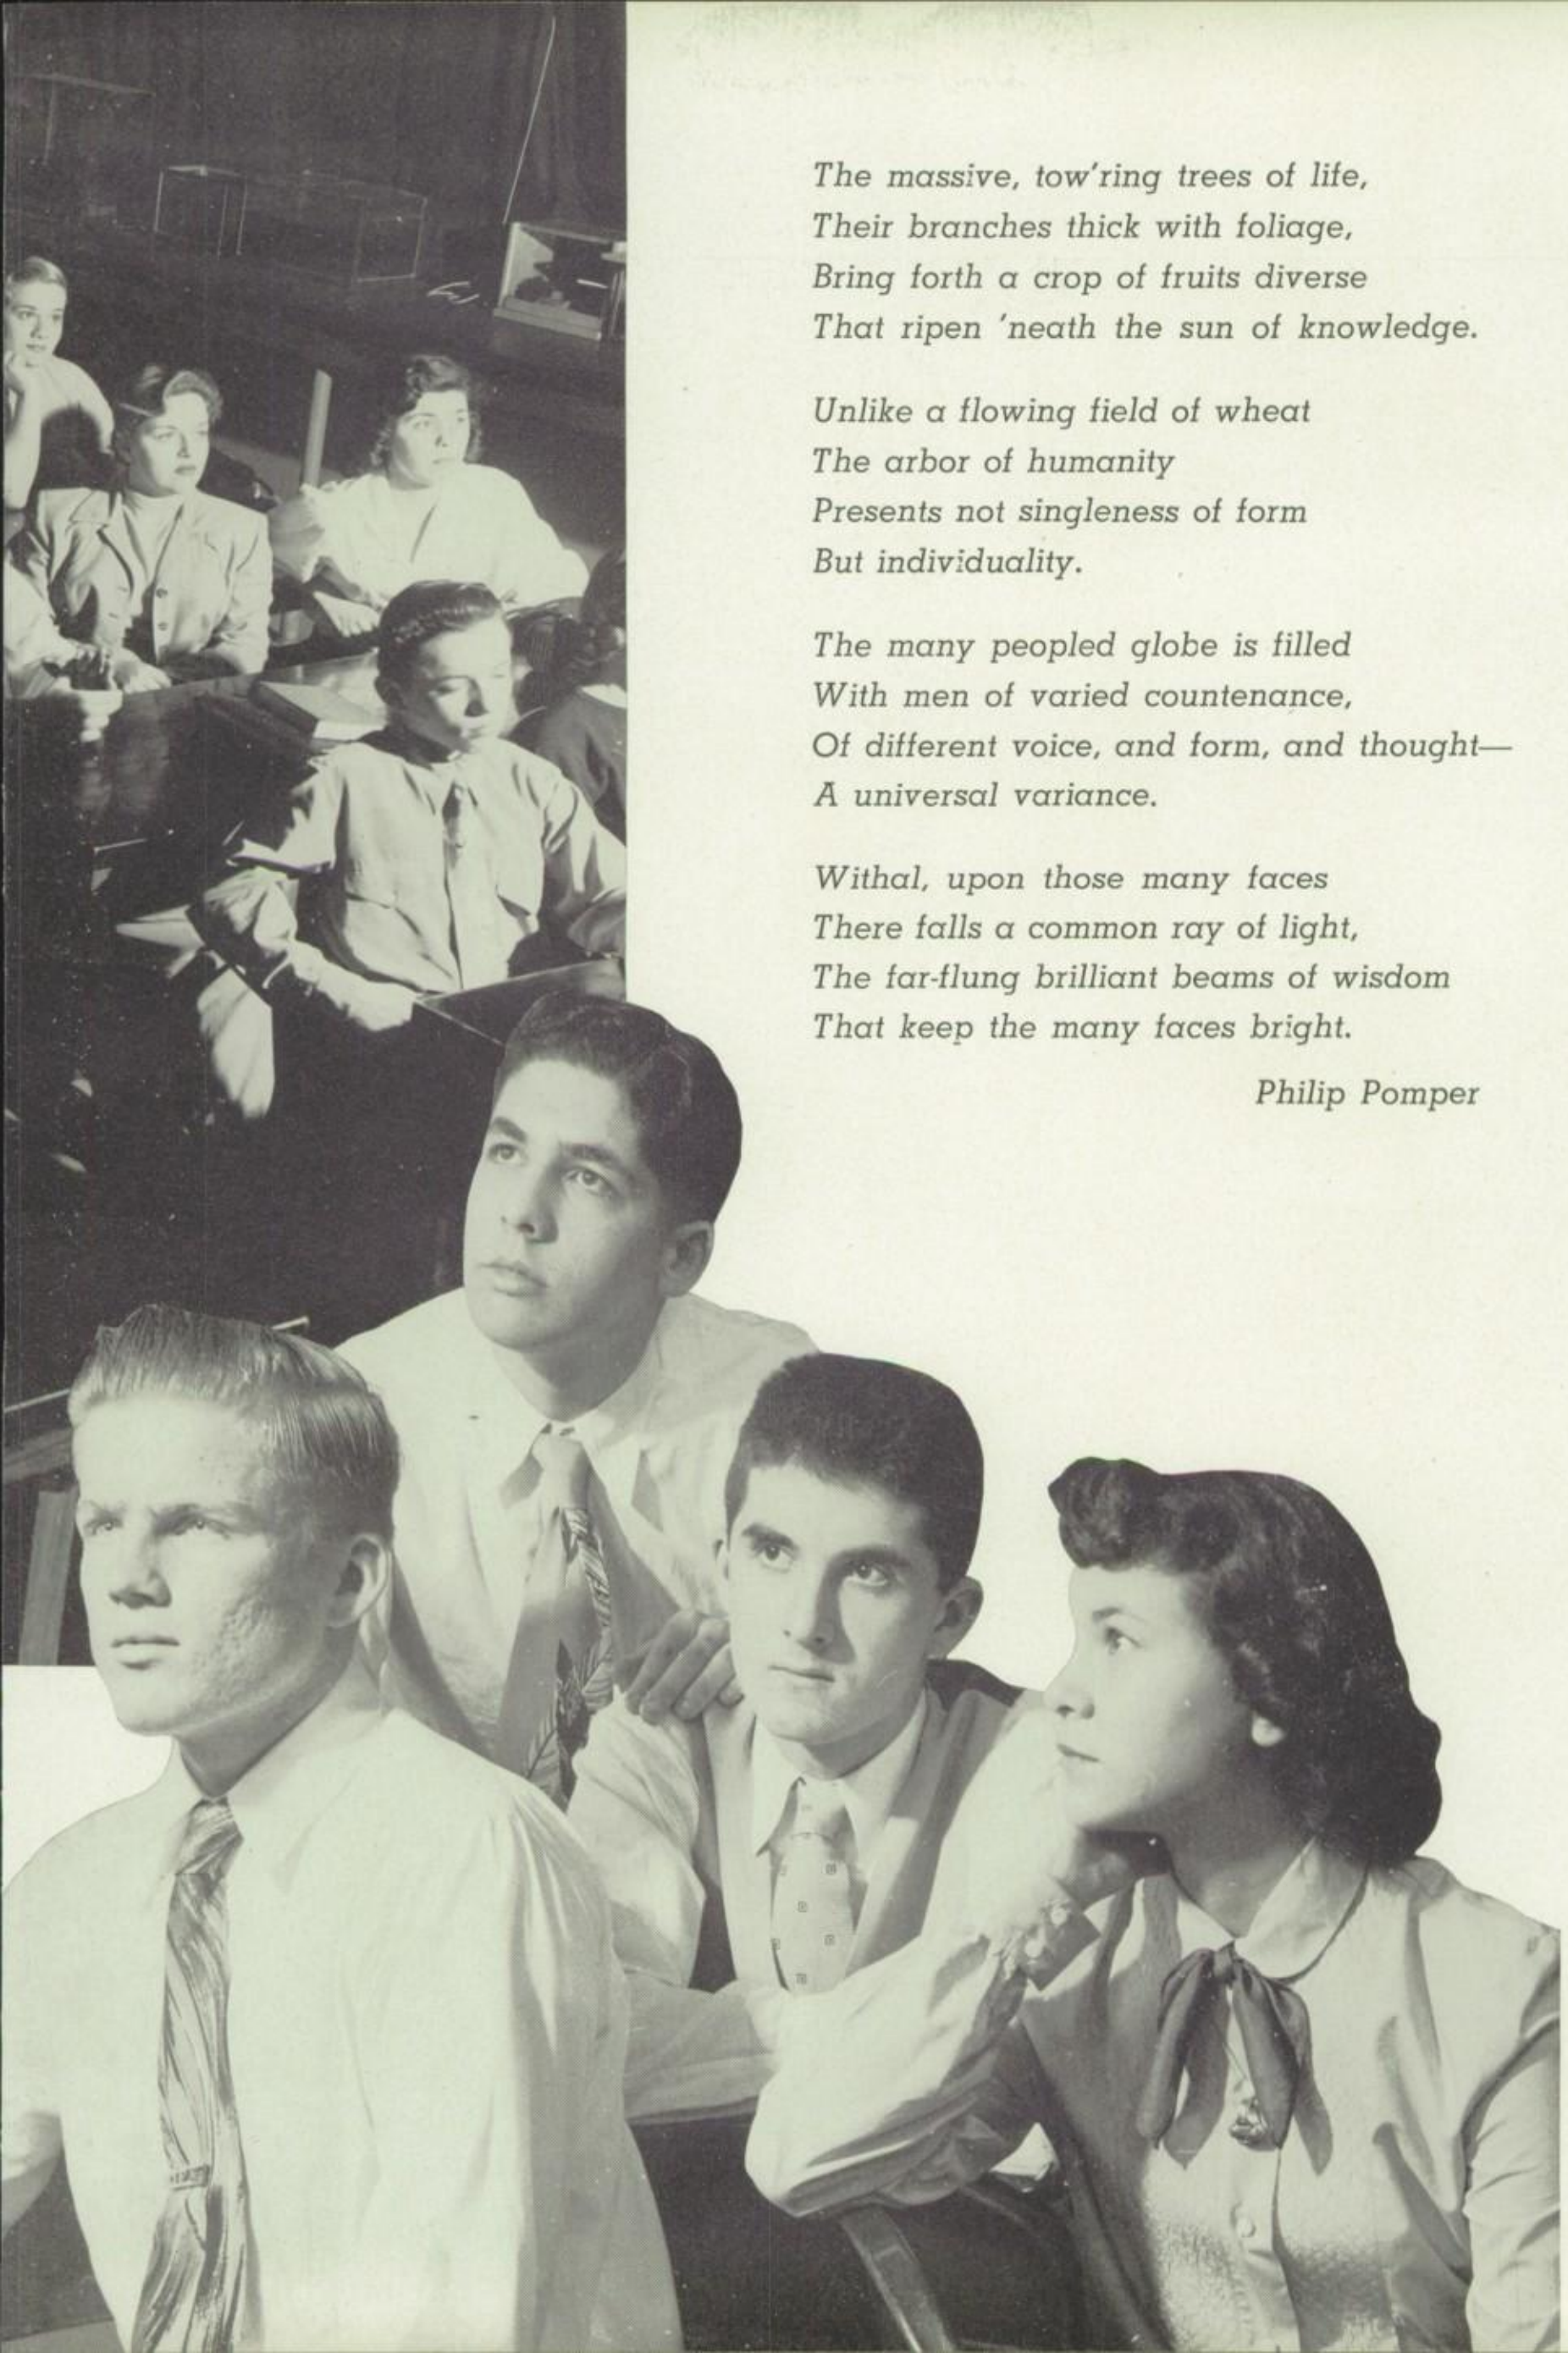
Facing the Challenge of Life

People glance at us and lightly say we bear the common face of youth. They see us when we lend our aid to worthy causes in response to the stirring challenge that lies in the cry of the unfortunate. What is not so easily seen, however, is the quiet face of determination with which we strive to meet the challenge of perfection and improve our own abilities both in study and athletics. Challenges are all about us and the way in which they are met by each of us is found, for a brief moment, on the faces that we see.

Our Faces Change With Passing Moods



The massive, tow'ring trees of life,
Their branches thick with foliage,
Bring forth a crop of fruits diverse
That ripen 'neath the sun of knowledge.

Unlike a flowing field of wheat
The arbor of humanity
Presents not singleness of form
But individuality.

The many peopled globe is filled
With men of varied countenance,
Of different voice, and form, and thought—
A universal variance.

Withal, upon those many faces
There falls a common ray of light,
The far-flung brilliant beams of wisdom
That keep the many faces bright.

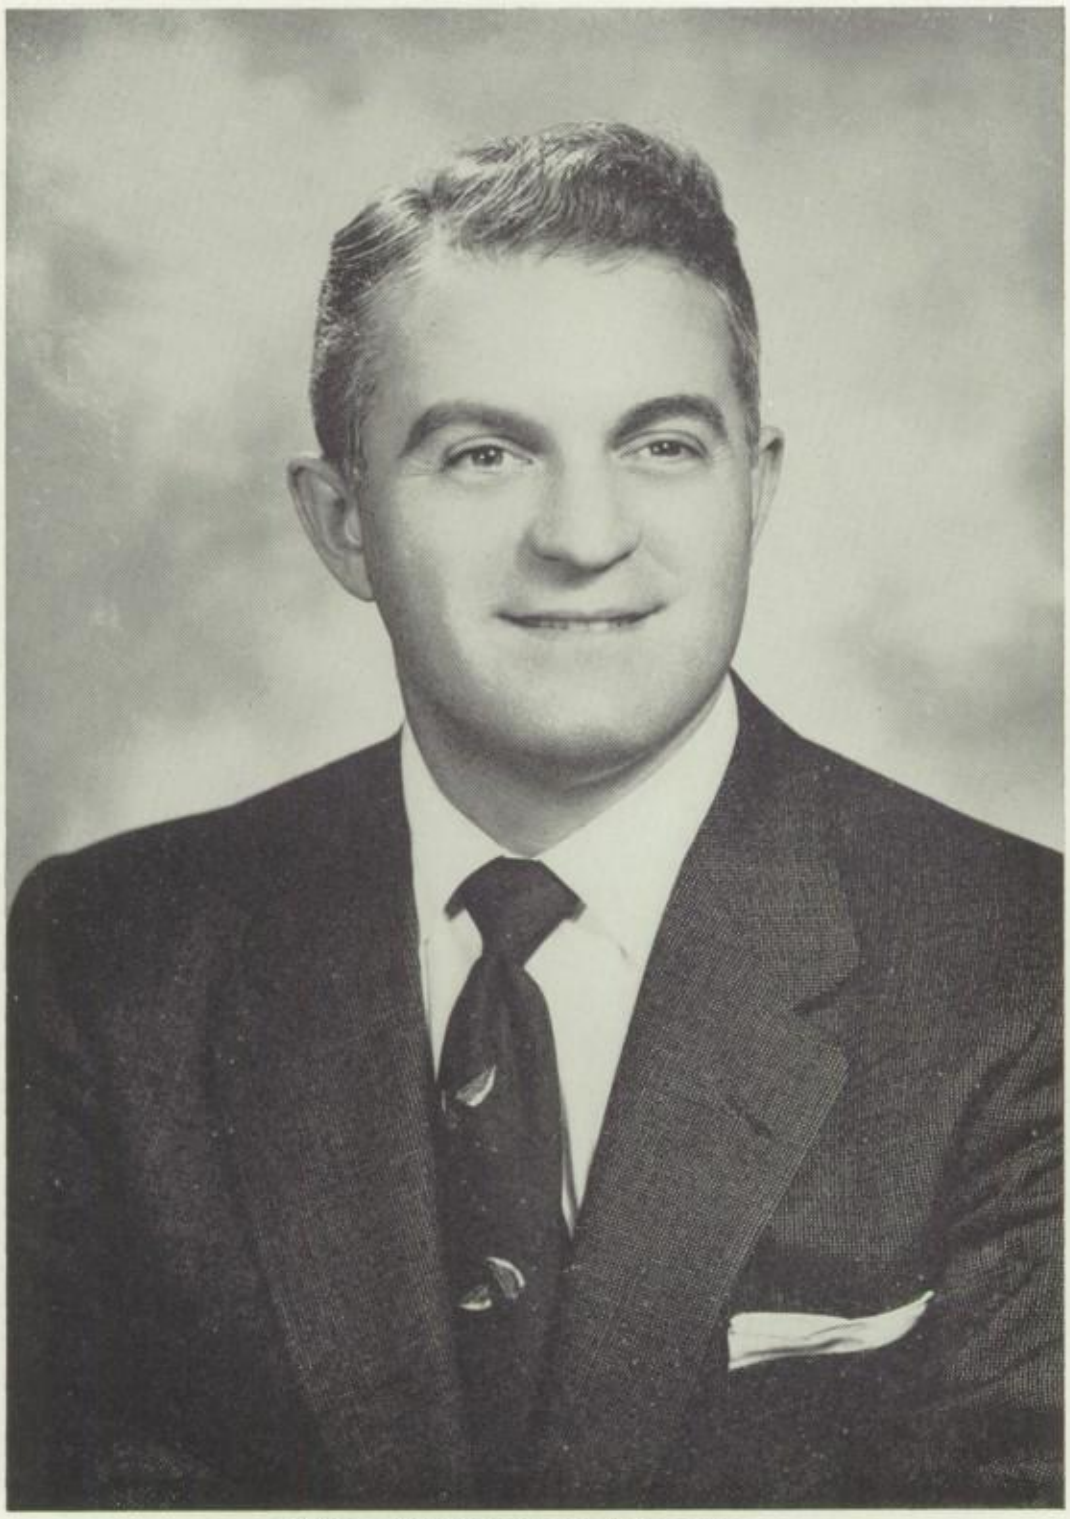
Our Principal

Although the tenth period bell has often sounded and the swaying doors have closed with finality on the outpouring students as if to signify emphatically that school has closed for the day, there is one whose hours of service are not measured by the cold face of a mimeographed time chart. She believes it is her duty to provide a home away from home; to surround us with objects of culture so that we may learn to cherish them if we wish. Many places have been beautified by her appreciative touch. The spun glass curtains of the lunchroom conceal with a certain grace a forbidding row of windows; one no longer has to scream to be heard in the soundproofed natatorium. While the setting for education is being carefully planned, her constant search for excellent teachers never flags. She believes that once the necessary equipment is provided for each student, there is little in school to hinder his achievement, if he, himself, is a willing apprentice. Her concern does not end by providing the tools for each pupil, for she regards the students in South Shore as her children, and she watches the progress of each of them with unfailing interest. Yet, there is something that is as important to her as scholastic achievement, for she realizes that our fundamental happiness lies in harmonious relations with others. This can only be accomplished by participating in the varied events that rotate about the school like satellites about the sun. To her, this understanding of ourselves in relation to others is as important as booklore. It is her wish that by active co-operation the Student Service League will be a true indicator of the student's needs and desires.

To her who thoughtfully prepares the upward path for us to follow as we acquire knowledge of books and beauty; to one who gives new hope to the discouraged, and salutes the worthy; to her we give our heartfelt thanks—our principal,

Dr. Isabel L. Magan

Our Assistant Principal



MR. ALBERT KOSLOFF

In November, South Shore happily received its new assistant principal, Albert Kosloff. Mr. Kosloff, upon crossing the school's threshold stated, "I'm sure I'll enjoy my new position very much." As time has passed, the ties between Mr. Kosloff and the student body have steadily strengthened until at present when there exists a filial relationship between the pupils and him. At all times since his arrival, he has striven for complete co-operation between the faculty and the students. It is felt that he has achieved this by being true to his principle of "guiding with a firm, but not a harsh hand."

Although new to his duties, he has performed them excellently, and all who have come in contact with Mr. Kosloff admire him for his industrious, friendly attitude which has come to mean so much to everybody at South Shore.

New teachers, Mr. Martin, Miss Jarrell, and Miss Harris are introduced by Dr. Magan to our high school district superintendent, Mr. Oscar F. Fowler.

Consisting of department chairmen, the Faculty Advisory Council is briefed by Dr. Magan on all information received from the district office and on policy matters pertaining to the school.

Class of January 1953

The year of graduation has special distinction for each student. It is filled with memories that are clearly portrayed on the canvas of time. Images most often remembered by each graduate will likely include those of the class officers, for it is they who went quietly about the business of organizing the class for its activities. Daily meetings of the entire group in 304 established a feeling of unity—a feeling of working as one toward a common goal. These are some of the memories: friends, Class Day with its breakfast, the play, the helpful division teachers. These are painted in colors so vivid that they will remain indelible forever.

Upper left—January Class Officers—Sheldon Getzug, president; Ralph Lindberg, vice-president; Leah Embree, treasurer; Joan Grabill, secretary.

Class of June 1953

These, the June graduates of South Shore, are on the threshold of a different school—that of life. When they face the more serious problems of living, they will recall the memories fashioned in the year of their graduation. The play, "The Late Christopher Bean," which provided the money for the Class Gift; the class officers presiding in the assembly hall; the tireless division teachers, helping to make future plans; the many different committees and their meetings: these are the threads that are woven into the tapestry of memory.

Good-bye Mr. South Shore

Our former assistant principal, Mr. Clarence Fossier, had long been one of the familiar faces that was seen in school and at its activities. To our regret, the business world at last claimed a friend and a kindly counselor. His wise guidance and loyal service will long be a part of the memories of South Shore.

Seniors gather around Miss Albright, class sponsor, at the January prom held at the Shoreland Hotel.

Underclass Divisions

Division time is probably one of the most important periods of the school day for South Shore's students. After the daily bulletin is read and the roll is taken, the remainder of the session is devoted to such activities as the collecting of money for school organizations and discussions with the division teacher about the future plans of each student. The small amount of free time that remains may be used to finish some homework, or to get acquainted with fellow classmates.

Upper:
Kathy Rosenthal addresses Gene Frederick, Mrs. Lassen, Sponsor, Diane Teter, Dave Lowis, Edward Hecht, David Rapport, Ruth Stone, and Peggy Kovats members of the 1B Council on a division problem.

Center:
Ring salesman, Mr. Parker, helps Judy Johnson, Dick Barta, Pat McCartan, Gerry Yalowitz, Gunther Koffimake, Gay French, and Barbara Allen members of the first semester 3A council choose their class rings.

Lower:
Joan Poulos, treasurer, Carl Chestler, vice-president, and Beverly Michelsen, president, of the first semester 2B Council, look over the class budget.

The class officers of the B divisions are:

1B Council

Barbara Thurnstrom, president; Pat Carlson, treasurer; Lois Weiss, and Margaret Martin.

2B Council

3B Council

3B Council

George Scott, president; Earl Hagberg, vice-president; Sally Payne, secretary; Jean Miller, treasurer.

Only by Working with Others

and Understanding Them,

Can Our Faces Begin to Reflect

Some of Life's True Meaning

The Student Service League

South Shore's largest organization, the Student Service League, is the students' governing body. The officers are chosen in a school wide election. A representative from each division attends weekly meetings at which problems are presented to the student council. Solutions are determined by the group according to the needs of the students and for the general welfare of the school. The next day the representative gives a report on this meeting to his division.

Six committees function within the Student Service League under Miss Kincheloe. The Organization Committee, sponsored by Mrs. McNamara, files all the students' records of scholarships and service. The Assembly Committee, guided by Miss Bisbee, plans auditorium programs. Miss Spisak's Clean-up Committee keeps South Shore bright. Mrs. Lassen's Social Center Planning Committee plans the semi-monthly dances at South Shore. Keeping order on the decks are the Bo'sn's, headed by Mr. Kosloff. A school directory has been prepared by the Compass Staff.

The Stage Crew

Did you ever wonder how the spot lights always seem to be in the right place or how the stage is set when the curtain goes up? One of the hardest working organizations in the school, the stage crew, is responsible for this. Any period of the day they are ready to take care of scenery, lights, chairs, risers, or the public address system. Members also assist the P.T.A., choruses, and teachers in every possible way.

Officers are manager, Edgar Ellinghausen, and assistant manager, Victor Winquist.

The stage crew has done efficient work for South Shore under the guidance of their sponsor, Mr. Moore.

The Junior Red Cross council consists of one member from each division. The meetings, which are sponsored by Miss Cullen, are held once every two weeks. Knitting an afghan for veterans, filling Christmas stockings for soldiers' children, and making cookies for a settlement house have been this year's project. To make the year complete the Junior Red Cross received $150.00 from the fall charity drive.
Paul Migdal will represent South Shore at a one week Training Center Camp at Lake Forest in July. There he will receive useful training in Red Cross work to help our council next year.

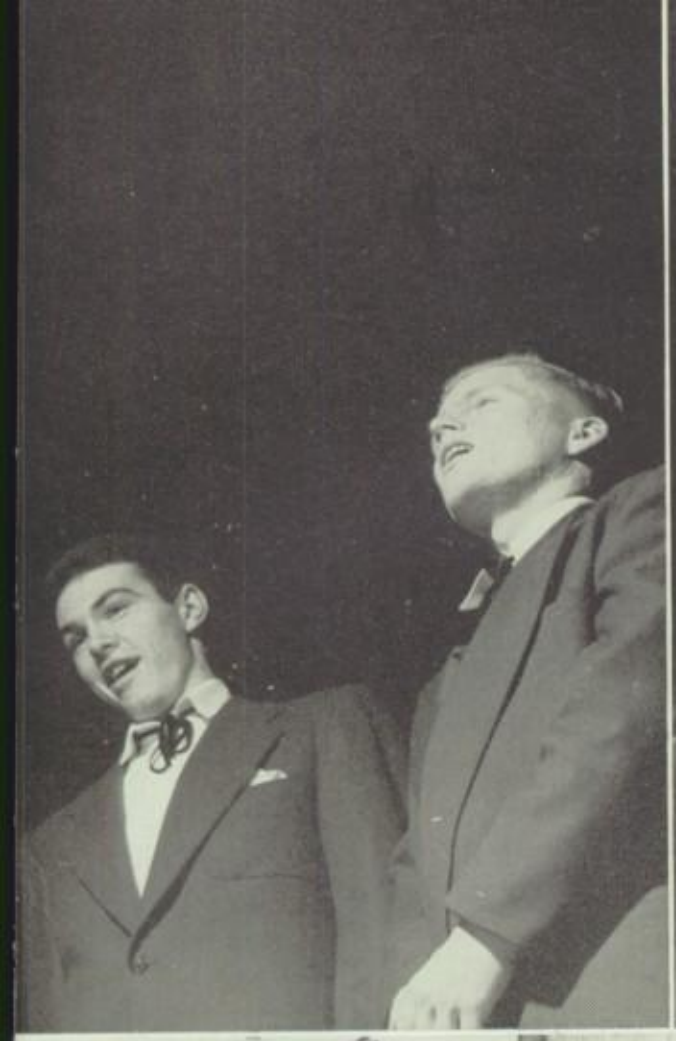
Center—Bill Carlson, Jerry Thurman, Larry Kilcran, and Don Gibbs make up our Quartet. They were a hit with their rendition of "Sweet Georgia Brown" at the Talent Show.

It was very pleasing to hear the Senior Mixed Chorus, under the direction of Mrs. Witting, sing on Carnival Night this year. Their show was called "Memories in Song." In this, many favorite songs, such as "Oh, You Beautiful Doll," and our most recent hits were sung. To make the spectacle even more enjoyable the Junior Mixed Chorus acted out the songs in the form of tableaux. Guiding the Senior Mixed Chorus this semester are President Don Miller, Vice-President Diane Brodine, Secretary Lillian Smith, and Treasurer Curtis Coutts.



Senior Mixed Chorus

In order to become a member of the Senior Mixed Chorus, a student must earn a full music credit and must be in the Junior Mixed Chorus at least two semesters. Choristers may achieve the honor of earning a letter, which is awarded in the 4A semester, after two years in the chorus have been completed. Under the direction of Mrs. Witting the Senior Mixed Chorus not only enjoys singing in the classroom daily, but it has the honor of singing at school assemblies, P.T.A. meetings, and some outside functions. Their presentation of "'Twas the Night Before Christmas" was quite impressive.

There's More Than Song

Lower right—Charlene Bennett, Lois Rosenberg, and Jo Duggan glance at some new music.

The accomplishments of the Senior Mixed Chorus include not only singing and dancing but also participation, as an organization, in the many school functions. The chorus placed third in the G.A.A. Inter-Club Volley Ball Tournament and won several prizes for costumes and dancing at the G.A.A. Square Dance. Their many happy memories are preserved by a scrapbook and a wire recorder.

Melodious chords may often be heard floating down the hall from room 320. Here the fundamentals of choral singing are taught under the directorship of Mrs. Witting. The Junior Mixed Chorus sings at assemblies and at Open House.

The Christmas-Chanukah assembly was a high point in the chorus' activities last year. At Open House the two choruses (Junior and Senior) worked together to present "Memories in Song." The Junior Mixed Chorus appeared in tableaux accompanying the songs.

Upper—Sally Hind and Faye Lathom will long be remembered for their interpretation of "Winter Wonderland."

Center—Second semester officers, clockwise—Paula Carle, treasurer; Shirley Johnson, vice-president; Janis Kornafel, president; Betsy Lagen, secretary.

Right—The "eyes" have it as Joan Darrah, Lois Nitzsche, Alice Schwebke, and Kay Prescott watch the rehearsal for one of the chorus's many performances.

Developing a real appreciation of music is the chief goal in the Senior Girls' Chorus, whose members sing for several school activities, including P.T.A. meetings, special assemblies, Carnival Night, and the annual Mother-Daughter Tea, highlights of the school year. Every member truly enjoys singing, and wholeheartedly agrees that the second period is the most enjoyable time of the day.

The chorus not only excels as a singing body but also conducts a business meeting twice a month, during which time the girls carry out the official affairs of the organization. "The Girls of Room 121," as they are sometimes called, accredit their many musical successes to Miss Long, their sponsor.

Junior Girls' Chorus

Although the main purpose of the Junior Girls' Chorus, directed by Miss Long, is preparing its members for the Senior Girls' Chorus, the two groups have equal status at the functions in which they perform. This year their annual show for Open House Night was a western musical called "Rhythm on the Range."

Upper left—First semester officers—Cherie Embs, president; Ada Brown, secretary; Mary Trevelyan, vice-president; Myrna Salomon, treasurer.

Upper right—Nancy McCaslin, Lucille Youngren, and Marlene Heinemann stop Barbara Buchsbaum, Judy Hensel, and Carolyn Vandersee, chorus pledges, to judge their decorations.

Lower right—Second semester officers—Mary Trevelyan, treasurer; Lorrie Perruso, secretary; Barbara Allen, vice-president; Dolores Roberts, president.

Music Lights the Darkest Road

The girls were dressed as cowboys and gals, while they sang and danced to favorite western numbers. The Christmas spirit reigned at South Shore when the chorus participated in the annual holiday pageant and presented their usual good show. Dressed in green and white, the girls sang for the Saint Patrick's Day P.T.A. meeting. A well known tradition of the chorus is its annual initiation day. New members must have their hair up off their necks and wear no make-up for one day. When asked what they are pledging, the girls must answer with a quotation from the opera star, Lotte Lehman. Officers are Dolores Roberts, president; Barbara Allen, vice-president; Lorrie Perruso, secretary; and Mary Trevelyan, treasurer. Accompanist is Lorrie Perruso.

Advanced Bands

A newcomer who knows nothing about music may learn to play an instrument in less than five months. This has been proved by the beginners' band, usually 1B's, who were able to play at the orientation assembly for incoming freshmen early this spring. They have progressed rapidly because they have had music, instruments, and teachers at their disposal. All they needed was the will to learn the basic fundamentals of music. Usually a student spends one semester in the beginners' band, and from there he advances to the junior band. The junior band plays for some of the 1A division assemblies. Practical application tests are given at the end of the second semester in the band system for entrance to the senior band.

Mad Musicians

The final goal for band players is senior band. As part of this group, a member may wear a school uniform, and play at football games, pep assemblies, as well as P.T.A. meetings and the spring concert under the direction of Mr. Gorbach. June semester officers are Ray Overholt, president; John Miller, vice-president; Joan Brown, secretary-treasurer; Marie Dahlen and Norma Swanson, librarians.

The beginners' orchestra resembles the beginners' band, for it is not necessary to know how to play a stringed instrument to be admitted. After one semester in the beginners' orchestra, the student is usually advanced to the concert orchestra. Officers of the concert orchestra are Ed Filmanowicz, president; Warren Quinn, vice-president; and Norma Swanson; secretary-treasurer.

The dance band is a group of fifteen senior band players who perform as a unit at assemblies and social centers. Joan Brown is the singer.

When's Deadline Date?

Every type of newspaper ambition is realized on the Shore Line literary staff, sponsored by Mr. Carroll. Those who like to write receive a splendid opportunity to express their creative talent; those who are interested in the technical aspects of a newspaper may handle make-up and page arrangements. Through personal interviews, members of the staff are taught proper methods of approaching people and obtaining their opinions on various matters. All the news, which has been sent from reporter to copyreader, to editor-in-chief has one final polishing before it is taken to the printers.

Upper—While Charlene Bennett checks a paper on the board for reference, Evelyn Fink interviews Diane Glass, Marcia Crawford reads over copy, and Kay Prescott waits for stories from Martin Cohen and Hank Taylor.

Center—The first semester editorial staff of the Shore Line—Al Nelson, boys' sports editor; Bob Quinn, editor-in-chief; Lois Blum, news editor; (second semester editor-in-chief); Betsy Lagen, make-up editor; Bob Lissit, feature editor; Lola Einbund, and Shirley Johnson, girls' sports editors.

Lower—Herb Levin's struggle brings smiles of amusement from Sue Boyle, Georgia Rogatz, Gerry Feinstein, and Dori Appel.

Upper right—Going over general work for the business staff are John Miller, Warren Quinn, Ruth Kopel, Carol Glassman, Jay Kopstein, Myra Rubenstein, and Rachel Patinkin.

Lower left—Joel Miller, Al Meyers, Sheldon Getzug, Jackie Freedman, Jerry LaMaskin, and Judy Brill of the Shore Line business staff count out Shore Lines which they distribute to the divisions.

Lower right—Hank Green, Jim Malkus, Herb Mack, Vicky Rosenberg, and Al Gross consider new ideas for the betterment of the Shore Line business department.

The business staff, sponsored by Mr. Kooistra, is really "in business" handling an account which runs into thousands of dollars each year. Under the guidance of Al Gross and his staff the work is accomplished efficiently and smoothly. They have had to meet the challenge of rising costs which have hit the printing industry as well as other fields. Increased advertising and a highly successful subscription campaign have resulted in selling papers to over 80% of South Shore's students.
Under their respective sponsors, the members of the two staffs work together harmoniously for one goal: the production of a truly superior newspaper.

The Tide Staffs

There's more to the finished yearbook, that is released in June, than meets the eye. The various phases of production are handled by the photography staff, sponsored by Miss O'Hara; the literary staff, sponsored by Mrs. Weaver; and the business staff, sponsored by Mrs. Rice. Through the year-round co-operation of these groups, under the leadership of Editor-in-Chief, Lola Einbund, the Tide materializes from a vague dream to a tangible reality.

A day of picture taking means much preliminary work for the picture staff led by Sandra Levin, photography editor. Photo ideas, typical of our school, must be planned. Conferences with officers and sponsors of groups must be held to obtain lists of the people to appear on each page in order that notifications of time and place may be sent to them; a foolproof schedule, mailed in advance to the studio, must be so planned that the photographer can "shoot" a new group every seven minutes throughout the day. Other staff duties include making studio appointments for seniors, P.T.A. officers, and faculty; compiling senior activities; selecting a theme; identifying and writing captions for all pictures; completing all dummy sheets; and proofreading the book.

The cover design submitted by Terry Gerrard appears on the 1953 Tide.

Upper—Engaged in an important conference about the yearbook make-up are Sandra Levin, photography editor; Lola Einbund, editor-in-chief; and Lauren Pachman, literary editor.

Lower left—One of the most exacting jobs of the literary staff is writing copy. Working at this job are Ruth Decker, Herb Peck, Joe Kater, Ada Brown, Gerry Suskin, and Sue Greenberg.

Lower right—For several days after receiving pictures from the photographer, Cordelia Wagner, Diane Anderson, Harold Klawans, Richard Harris, and Fern Volk work at sorting, filing, and identifying—discarding some photographs and scheduling retakes for them.

They Record the Memories

Upper left—Checking the files for identifications are Barbara Peulecke, Phil Pomper, Margie Ohlhausen, Jay Precourt, and Carol Leaf of the literary staff.

Lower left — Sandria Sterling and Fredelle Knaster will deliver these Tides to the divisions after Barbara Rappaport, Tide business manager, has checked them. Gene Frederick, Lois Wasserman, and Adriene Reinschreiber count out more Tides to be delivered.

Center right — Joel Solovy, Harold Slan, and Madalyn Cohen refer to the bulletin board which tells them their day's work and the deadlines for their assignments.

Lower right—Rochelle Wilson types copy for the Tide.

Months of planning by the Tide literary staff, with Lauren Pachman, editor, lie behind all the printed matter in our yearbook. As deadline day draws closer, the staff's tiny office is daily filled with students writing articles, headlines, and captions. The completion of the Tide only brings a sigh of relief to them, for soon they must begin working on the following year's annual.

Through the effective work of the business staff the Tide at South Shore can be purchased without hidden costs. All the financial and distributive work of the yearbook is handled by this staff, which has representatives in every division. It is kept smoothly running with the assistance of Barbara Rappaport, business manager.

Center—Even when they are "off duty," Library Club members Lois Jaffe, Phyllis Miller, Deanna Taxman, Rosalind Hirshfield, Marilyn Satovitz, Dolores Reizner, Sarah Villas, Mary Lois Lester, Peggy Hoch, and Geraldine Suskin can't resist coming in to catch up on their reading.

Lower left—Ruth Stone, Sue Greenberg, Carol Leaf, and Muriel Goldsmith take a break from their usual duties in the library as they let Mrs. O'Kane stamp their books.

Lower right—Carol Friend and Nancy Feingold admire the reproduction of the painting, "The Round Table" by Edwin Austin Abbey, on the south wall of the library.

As members of the Library Club, girls learn the basic elements of library work under the tutelage of their sponsor, Mrs. Dawson. This consists of checking the books in and out, and keeping all the shelves of books in order. They send out overdue notices, and also send library attendance slips to the study hall teachers.

The high point of the semester is the Book Week Tea. During this week the library's new books are displayed. The tea is for the faculty and is held on a Wednesday or a Thursday. All week long these new books are on display for the pupils to see in order to reserve them. Then on Friday they are allowed to take them out. Guiding the club are President Pat Gately, Vice-president Joan Dahl, Secretary Muriel Goldsmith, and Treasurer Carol Mulhall.

The National Honor Society

A worthy goal for students is membership in the National Honor Society. Only those who excel in scholarship, service, character, and leadership are invited to join this organization which is sponsored by Miss Bock.

The National Honor Society conducts an inspiring biannual Induction assembly after which a tea is given in honor of new members.

This March, a nation wide aptitude test was given to over 500,000 seniors. Competing with a selected number of National Honor Society members was Alan Gross, who received a certificate of merit because of his high grades in this examination. Besides serving as a symbol of high ideals for their fellow classmates, the members of the National Honor Society perform the valuable service of tutoring students.

Hats off to "Doc" Artman and his only aide, Chuck Gabriel, who have the job of keeping the faculty supplied with the necessary materials.

The Aides of the Offices

The office could not be run in its usual efficient manner without the help of several girls, the office aides. Visitors see these girls carrying out their duties quickly and competently. They're an indispensable group to Mrs. Kreuz, their sponsor.

Making out reinstatement slips and early dismissal cards, looking up programs, and running errands are all part of the everyday work of the attendance aides, who assist Mrs. Conlon in every possible way.

The job of the adjustment aides is to assist with the clerical work pertinent to the adjustment office, such as filing, copying lists, scoring tests, and running errands. A good aide, who knows when to assist and when not to, is valuable to Mrs. Strawn.

"When in Rome do as the Romans do" is the motto of the Latin Club whose purpose is to study and to recreate early Roman culture. Those who are interested may join after four or more semesters of Latin. Mr. Carroll is the sponsor of this club.

Members of this organization really have to be alert, since President Janet Lawton conducts the meetings of "Le Cercle Francais" entirely in French. The purpose of this club, which is sponsored by Miss Bond, is to give members a practical application of their French knowledge.

Every day after school one may walk up to Room 316 and find members of the Biology Club, under the sponsorship of Mr. Rasmussen, busy at work on various projects. Experiments in biology, chemistry, physiology, and biochemistry take place in this room.

One of this year's special projects was the purchase of new dishes for the Social Room. The P.T.A. has given generously to the Scholarship Fund for Teachers, to the City Student Aid and to other worthwhile projects.

Their Purpose Is To Care

The Parent-Teachers' Association has had an extremely successful year. Fathers' night, November 18th, gave both the fathers and mothers of South Shore students an opportunity to visit the classrooms and teachers. A financial success, as well as a social one was the card party which was given just before the Christmas holidays. Faculty members were entertained by the P.T.A. at a spring luncheon. Of course, everyone knows that Carnival Night was its usual huge success.

Sports Under the Sun

Learning the quick start is one of the hardest and most important parts of learning how to play football.

South Shore's diamond men worked hard to perfect the all important art of bunting.

After planning their strategy for the second half South Shore's team prepares to go back into the game.

All the members of South Shore's swim team worked hard all season to improve their style.

Varsity Football Team

Although we can boast no string of victories for the 1952 football season, we can be proud of our team. They were unexcelled in fight and spirit. Heartbreaking losses such as a 7-6 defeat at the hands of Battle Creek did not dampen their determination. Tom Cavanaugh was a standout lineman. Others who shone were Jim Panozzo, who showed great promise as a back, but was hampered by injuries all season, Chuck Grunhard, capable quarterback, and Les Johnson, another able back. John MacFarland was a stalwart lineman.

Future

The Tars tied Gage Park in sensational style, by overcoming a thirteen point deficit in the last quarter. The story of many of the games was a lack of offensive punch and the inability to get that winning touchdown. This is the first year in which the red, blue, and white league groupings were used. South Shore was placed in the white league.

Coach Williams hopes for a better season in 1953. He feels that the team has worked hard in spring drills and believes that they will play that way next season. Williams commented as follows on the forty-seven who turned out for spring practice:

1952 TEAM

Front row—L. J. Meyers, Dick Klein, Don Gibbs, Jim Connors, Art Wielkopolan, Bob Bruce, Guthrie Riley, Mike McCormick, Bruce MacNeish, Jim Miller, Al Lorenc.

Second row—Paul Winer, Jim Panozzo, Tom Rybarski, John McFarland, Al Locascio, Chuck Grunhard, Les Johnson, Rich Myers, Bob Grindey, Bill Johnson, Skip Keenan, Dick Cassidy.

Back row—John Fulton, John Colosimo, Tom Szafranski, Larry Sager, Bob Fajman, Ralph Weaver, Dave Aggerholm, John Chelius, Bob Fenzan, Bill Hunding, Bill Shropshire, Bill White.

Standing—Walter Baylor, Coach Williams.

Triple Threats

Veteran Tom Cavanaugh will provide a nucleus for the line. Returning to help him will be Skip Keenan, skilled end, John Chelius, Bob Fenzan, and Dave Aggerholm, aggressive linemen. Ed Bood will probably play the other end and take care of the punting. Outstanding backfield men were Vern Craig, Jim Kowal, Tom Szafranski, Joe Kater, Ed Zahorik, and John Mizanin. Kowal is a speedy scatback who ran well in spring practice, while Craig shone at quarterback. There are other boys, veterans and newcomers, who are worthy of mention for their hard play. If spring practice is any indication, we should have a rugged team next season.

The 1952-1953 Varsity squad led by Coach Inman surprisingly gained second place in South Section League play offs. The squad turned out to be one of the best teams in the city.

The teams paced by Larry Cohen along with Ed Bood, Joe LaGuess, Tom Neary, Bob Reinert, and Maynard Thompson thrilled everyone who saw them play.

The other boys who made up the squad were Bob Greitzer, Larry Kilcran, Richard Kraft, Dick Oakley, Bob Rubin, Ed Sheridan, Sheldon Stark, and Don Unterberger. Congratulations Tars!

Tip That Ball!

Sparked by the cleverness of Earl Hagberg, the frosh-soph team placed third in the league with the help of Jim Walsh, Gene Poole, Chuck Connors, and Jim Carlson.

With the advancement of Hagberg, Poole, and Carlson to the Varsity, a gap was left in the lineup, which was capably filled by Phil Conklin, Jack Forrest, Ray Stock, and Rich Sheridan. Other squad members were Harry McNichols, Jerry Roeske, and Dick Scovel.

The team conquered Austin in the first play-off game.

This year South Shore's swim team again claimed glory in both Senior and Junior divisions. The Seniors swam to a tie for first place with the powerful Fenger High School team in the South Section and early in April gained recognition in the City Meet.

The Juniors, although they did not make top score in their section, surprised many spectators by placing second. The boys captured honors in the 50 yard free-style diving, and 200 yard free-style relays. They also grabbed first place in back stroke to finish very high in the final tabulation of team points.

The Baseball Team

Prospects for a good season looked excellent as the Tars took two out of three pre-season games. Their hopes were somewhat shaken with three straight losses in league competition, but undaunted, the diamond men came back to conquer Hirsch, defending city champions. After a three game lethargy, the Tars downed Parker, Fenger, and Morgan Park for their longest winning streak in league competition. The team has improved steadily and hopes to finish the season strongly.

Early season leaders at the plate were Ken Sone, Earl Hagberg, George Peterson, and Al Hess. George Halper, Mike Geller, and Dave Hedberg bear the greatest load for the pitching staff. Dick Arney ably backstops. In his first year with the team Coach Wiltshire has done a commendable job.

Last year South Shore gave the city league a golf champion, Art Lurie. This year the golfers already boast an impressive record. The team consists of Don Gibbs, captain, Dick Oakley, William Summerfield, Joel Spungen, and Joel Miller.

The cindermen, coached by Mr. Inman, competed in the sectional meet in which the 800 yard relay team took fourth place, while Bob Cohen, Dave Cross, and Frank Hailand all placed in various events. In the difficult South Central Relays, Bob Cohen once again placed in an event.

Bowling King Pins

Bowling has always been an outstanding sport at South Shore. For example, Ed Kaplan, Ken Pardee, Dan Kaplan, Nowell Korey, Joel Miller, and Howard Lerner all averaging over 165, brought South Shore their second city league title in a row. Ken Pardee was crowned the National Open Champion of the United States, while Ed Adelman won a $500 Scholarship to the college of his choice. There are 18 teams (over 150 boys) that bowl every Wednesday afternoon and over 80 girls who compete on Thursday, a grand total of 10% of the school, bowling under the direction of Coach Wiltshire.

The Cheer Leaders

An important part of every football and basketball game is South Shore's cheer leader squad. In addition to cheering at games, the leaders teach others. At the end of the semester, squad tryouts are held. Usually ten to fourteen girls are on the squad which also presents a pep assembly at the beginning of each sports year. There, they teach the students new cheers for the coming games. This year's captain is Barbara Cassel, and co-captain is Shirley Johnson.

The girls swim club, the Aqua-Debs, meets every Monday during tenth period in the natatorium. After an official meeting led by Barbara Baugh, president, assisted by Barbara Peulecke, vice-president, and Jean Miller, secretary-treasurer, the girls go into the pool. Each semester tryouts are held for admittance to the swim club.

The swimming time is devoted to different things. During the fall semester, synchronized swimming, stunts and good swimming form are perfected. In the last few weeks of spring, members work to pass the Junior or Senior Red Cross Lifesaving Tests. The high point of the year is the annual swim show planned by the members themselves, and presented on Carnival Night. The show consists of several water ballets, diving, and races.

The Aqua-Debs, under the sponsorship of Mrs. Lassen for the first semester, and Mrs. Betz the second semester, had a splash party at which they wore their new red, white, and blue swim suits.

Running the Girls' Athletic Association in an efficient manner is the G.A.A. Board, sponsored by Miss Marston. It consists of girls, chosen by the officers, who plan the athletic activities for the year. Among the most popular activities are swim meets, student-faculty volleyball games, roller skating parties, and the G.A.A. Square Dance. There are posture contests, tennis tournaments, and horseback riding, which the girls always enjoy. The big event of each semester is the G.A.A. Award Assembly. During this assembly, the girls receive their letters, chevrons, and other awards. It is followed by a luncheon for those who received these honors.

Mental and physical health is the main objective of girls' physical education. Some of their activities are speedball, captain basketball, volleyball, and proficiency tests. The gym teachers are proud to say that they have more girls in the deep water of their swimming classes than most other schools. South Shore not only tries to improve the girls' skills, but also aims to teach good sportsmanship.

Reserve Officers Training Corp

South Shore's R.O.T.C. has always been an outstanding unit. This year two cadet officers and one non-commissioned officer competed for places on the City Corps Staff. The unit has also placed high in Picked Platoon competition, and has an excellent Rifle Team. Last semester Cadet Ziv placed second in the City Finals Rifle Competition, missing first place by one point.

The R.O.T.C. Federal Inspection on May 26, was under the supervision of Sergeant Bonham. The entire unit, complete with uniforms, marched on the drill field before inspecting officers of the Fifth Army area. After the review and presentation of medals and special awards, each cadet was personally inspected by Captain Hallard, who seemed favorably impressed. When the drill exercises were completed various cadets took written examinations on the material covered during the year. Everyone shares the opinion that South Shore received a high rating on the inspection.

Instruction Leads To Knowledge

It was through Sgt. Bonham's efforts that the school heard the Fifth Army Band. Other activities in which the R.O.T.C. participated were Armed Forces Day; Freshie Assembly; Memorial Day; and the Cadet Day Parade on Michigan Avenue.
